History

Integrated Security Technologies, Inc. (IST) is a licensed electronic security system provider headquartered since 1998. The IST team designs, installs, and services advanced electronic security systems across the State of Hawaii's government and critical infrastructure.

Mission and Values

IST operates with a vision of *"Leading Hawaii to a Safer Place"* that comes to life through the execution of 3 mission elements which we implement to help our clients manage their risks by:

- (1) assessing their physical security vulnerabilities & requirements;
- (2) designing solutions that mitigates vulnerabilities and address requirements;
- (3) delivering technology solutions with highly available, manufacturer certified staffing.

IST's mission efforts are bolstered by a team cohesion that is committed, graded, and rewarded for its persistent demonstration of IST's steadfast core values: Accountability, Passionate Curiosity, Adaptability, Integrity, and Collaboration.
