## History

Integrated Security Technologies, Inc. (IST) is a licensed electronic security system provider headquartered since 1998. The IST team designs, installs, and services advanced electronic security systems across the State of Hawaii's government and critical infrastructure.

## Mission and Values

IST operates with a vision of *"Leading Hawaii to a Safer Place"* that comes to life through the execution of 3 mission elements which we implement to help our clients manage their risks by:

- (1) assessing their physical security vulnerabilities & requirements;
- (2) designing solutions that mitigates vulnerabilities and address requirements;
- (3) delivering technology solutions with highly available, manufacturer certified staffing.

IST's mission efforts are bolstered by a team cohesion that is committed, graded, and rewarded for its persistent demonstration of IST's steadfast core values: Accountability, Passionate Curiosity, Adaptability, Integrity, and Collaboration.
