### History

Integrated Security Technologies, Inc. (IST) is a licensed electronic security system provider servicing Hawaii and U.S. Pacific territories since 1998. The IST team installs, services, and designs advanced electronic security system technologies all across all of Hawaii's Critical Infrastructure.

### Mission and Values

IST operates with a vision of *"Leading Hawaii to a Safer Place"* and comes to life through the execution of three mission elements that we implement to help our clients manage their risks by:

- (1) assessing their physical security vulnerabilities & requirements;
- (2) designing solutions that mitigates vulnerabilities and address requirements;
- (3) delivering technology solutions with highly available, manufacturer certified staffing.

IST's mission efforts are bolstered by a team cohesion that is committed, graded, and rewarded for its persistent demonstration of IST's steadfast core values: Accountability, Passionate Curiosity, Adaptability, Integrity, and Collaboration.
